Why Portage?

You're an adventurer, an explorer, an innovator. You don't just want flexible learning options or high quality programs. You want to deny the ordinary. You want a strong curriculum designed with employers in mind, access to additional scholarships and bursaries and top-notch faculty who are dedicated to helping you succeed along your academic journey. Become a voyageur at Portage College!

OUR CAMPUSES

BOYLE

WHERE

Boyle, Alberta is located 160 km north of Edmonton on Hwy 63 at the southern end of a 100 km stretch of Hwy 63 that's commonly referred to as the "Alberta Energy Corridor." Our campus is located along Hwy 831 south of Boyle.

PROGRAMS

- Heavy Equipment Operator

Portage Pointer

Did you know?

Boyle is home to the future Pipeline Training Centre: a facility that will be one-of-a-kind in Alberta.

COLD LAKE

WHERE

The City of Cold Lake is situated in Alberta's "Lakeland" district, 300 km north east of Edmonton, near the Alberta-Saskatchewan provincial border.

PROGRAMS

- Academic Upgrading
- Accounting Technician
- Apprenticeship Electrician
- Business Administration
- Community Social Work
- Early Learning & Child Care
- Educational Assistant
- GED Testing (General Education Development)
- Office Administration
- Practical Nurse
- University Transfer

OUR CAMPUSES

LAC LA BICHE

WHERE

Lac La Biche is located 220 km north east of Edmonton on the southern shore of Lac La Biche Lake.

- Aboriginal Art
- Academic Upgrading
- Advanced Care Paramedic
- Apprenticeship Steamfitter-Pipefitter
- Apprenticeship Welding
- Artisan Entrepreneurship
- Business Administration
- Community Social Work

- Pre-Employment Cooking
- University Transfer

Become a Voyager

Choosing the right post-secondary institution is an important decision. Whether you are directly out of high school, looking to retrain or returning back into education, Portage College has a unique and engaging student experience. Chart your own path with the ability to adapt your learning experiences to your preferred learning style. With excellent faculty and small, intimate class sizes, we ensure you feel like a part of our communities.

RECREATION

ATHLETICS

Portage College boasts three different ACAC athletic teams:

- Men's Hockey
- Men's, Women's and Mixed Curling
- Men's and Women's Golf

Voyageur athletes are known for being dedicated and hardworking. If you're interested in participating in Portage College Athletics, contact:

Jim Knight, *Manager of Recreation and Athletics*

jim.knight@portagecollege.ca

If you're playing for college athletics you could be eligible for an athletic scholarship! Please contact Athletic department for more information.

BE FIT FOR LIFE

As a College student, your schedule will be packed. Making time to exercise can be a challenge which is why Be Fit For Life offers free fitness classes for Portage College Students.

The Be Fit For Life Network is a provincial initiative comprised of nine regional centres, working in coordination to support a more physically active Alberta. The Network is supported by operational funding from the Recreation and Physical Activity Division of Alberta Culture and Tourism and by additional project grant funding from Alberta Sport Connection and Sport Canada.

CALLING THE CURIOUS

At Portage, you have the ability to study in a specific field or discipline of your choice. You can adapt your learning experience to your preferred learning style. Our friendly staff and faculty are more than willing to help guide and support you during the process. We also encourage experiential learning and want students to find their own journey outside of the traditional classroom experience. At Portage you have the ability to find your own adventure whether that is hiking or snowshoeing through our backyard of wilderness, canoeing across one of our many majestic lakes or catching that perfect fish among other amazing outdoor experiences.

Deny the ordinary and become a Voyageur.

LIVING ON CAMPUS

Living on campus has many advantages. Our Residence Team coordinates student housing and does a fabulous job of making your college experience safe, supportive and fun.

Here are just a few benefits of living on campus:

- Easy access to campus facilities and resources
- Walking distance from the College
- Neighbours with similar interests and hobbies

LAC LA BICHE

We offer housing for single students and families at our Lac La Biche campus. Our on-campus Residence Hall, attached to the main campus building on two floors, offers students self-contained rooms designed for two students to share.

Each room includes two beds and two desks, a kitchenette with a two-burner stove top and fridge, table and chairs, and a full bathroom. Common lounges in Residence have microwaves and laundry.

Singles townhouses are also on campus, and a short walk to the main building. Fully furnished townhouses are shared by four students, each with their own bedroom. There are two bathrooms, a living room, dining room and a full kitchen. Laundry access is also available. In fact each townhouse is equipped with a washer and dryer.

A total of 50 units of two, three and four bedroom townhouse accommodations are available for families. All family townhouses are furnished. Due to high demand, only students who reside further than 75 km from Lac La Biche will be considered for family housing.

ST. PAUL

Our modern, two-bedroom dorms at the St. Paul Campus can house single students or small families and include a full-size kitchen and bathroom. Laundry is available onsite.

Portage Pointer

Have a question about housing?

Our Housing and Campus Supervision staff are onsite and available to assist you. For additional information check our website or call 780.623.5573 or toll free at 1.866.623.5551 ext. 5573.

BOYLE

With 40-single person rooms, our Boyle facility is maintained to the highest possible standards to accommodate students in a camp-style-living environment. All rooms are equipped with satellite TV and a small fridge.

At this time, campus residence is not available at our Cold Lake, Frog Lake, Saddle Lake or Goodfish campuses.

CREATE YOUR OWN SPACE

When moving into dorms, remember to pack the following:

- Bed liners & pillows
- Towels
- Dishes, pots & pans, cooking utensils
- Laundry bag
- Slippers
- Toiletry items
- Hangers

FUNDING OPTIONS

STUDENT AID ALBERTA

Applicants must demonstrate financial need and be enrolled in an approved program of study in order to qualify for funding. Applications are assessed for Canada Student Loans and Alberta Student Loans. Both the federal and provincial governments offer a variety of grant funding that is non-repayable and intended for students with higher financial need. Please note: Academic Upgrading enrolled students do not qualify for Student Aid Alberta.

These loan applications are available online at studentaid.alberta.ca.

ALBERTA WORKS

Academic Upgrading students can apply for this type of funding. Tuition, fees, books and living allowance may be available to those who qualify. Funding can take 6-8 weeks to process.

NOTE: Academic Upgrading students who are Treaty Status living on reserve may qualify for tuition, fees and books with a living allowance provided by their Band.

We have many External Scholarships & Awards. You can find them on our website at www.portagecollege.ca/Student-Services/Funding-Options/External-Scholarships-and-Awards

BAND FUNDING

Individuals who are Treaty Status may qualify for funding through their Band. Programs funded vary with each Band as does the application deadline. We recommend students contact their Band Education Counsellor or Social Development department for further information.

MÉTIS SETTLEMENT GENERAL COUNCIL

Registered members of Métis Settlements may be eligible for sponsorship through the Strategic Training Incentive fund. Funding is available for most programs offered at Portage College. Please contact your Settlement Office for more information.

RUPERTSLAND INSTITUTE / MÉTIS NATION OF ALBERTA (MNA) FUNDING

Individuals who are non-land based Métis members should contact their nearest zone office (Zone 1 for Lac La Biche) or the Rupertsland Institute Coordinator to discuss funding for training to employment programs which include degree programs, diploma or technology programs, certificates, trades, and some upgrading.

Chart Your Course

ACADEMIC UPGRADING

Prepare for post-secondary or apprenticeship programs by acquiring the pre-requisites needed for applying or improving your employability chances. Upgrading isn't about the past, it's about your future.

ACADEMIC FOUNDATIONS

Academic Foundations provides adult learners with the opportunity to expand their learning potential in a variety of courses (math, sciences, social studies, English and computers). The program is adapted for students from all different educational and personal backgrounds. Once students have successfully completed their first stage of upgrading, they will have the opportunity to continue their education in College Preparation.

COLLEGE PREPARATION AND UCEP

Students enrolled in College Preparation are looking to upgrade Alberta high school courses for the purpose of enrolling into a post-secondary program or to improve their employability chances. Juggling education, family life and work is not always an easy thing to do. That's why Portage College offers College Prep courses in a variety of ways, at all grade levels, so you can work on the specific courses you need.

GENERAL EDUCATION DEVELOPMENT (GED)

General Education Development (GED), is a set of five multiple choice tests in the following areas of study: language arts writing, language arts reading, social studies, science and mathematics. GED is recognized across Canada and the United States. Many employers will accept the GED in place of a high school diploma and some college programs accept the GED in place of a prerequisite, but you should enquire at individual colleges to confirm.

GED Tests are scheduled throughout the academic year.

ARTS & CULTURE

ABORIGINAL ART

Inspire your creativity and find your passion in the Aboriginal Art Certificate program. This program is designed to provide a solid knowledge base in traditional Aboriginal art forms as well as introductory level theory and skills in a variety of other fine art and craft media.

You will learn traditional and contemporary Aboriginal art forms such as beading, carving, footwear, sewing, and hide tanning as well as the cultural and historic significance of these art forms. The study of Aboriginal art is complimented by learning various visual art skills in the areas of drawing, painting, sculpture, print making and mix media.

- Full-time
- Certificate (1 year)
- Offered at our Lac La Biche Campus

Several art courses are transferable to our University Program.

ARTISAN ENTREPRENEURSHIP

The first year of this diploma program is the Aboriginal Art Certificate which provides the core Aboriginal art forms content as well as introductory level study in a variety of other fine art and craft media. The Artisan Entrepreneurship is the second year of the diploma program.

This program will build on your existing knowledge and expertise and expand your career potential. You will continue to study the traditional Aboriginal and contemporary art forms in advanced courses in painting and drawing, hide tanning, carving, sewing, footwear, beadwork and decorative arts while identifying an area of focus or interest.

You will be able to combine your interest and love of art with entrepreneurial skills to be well equipped to be self-employed or to work in one of the many opportunities and careers in visual arts and Indigenous art & culture.

- Full-time
- Diploma (2 years)
- Offered at our Lac La Biche Campus

BUSINESS

ACCOUNTING TECHNICIAN

In less than one year, receive extensive training in the most current software applications that will get you the job you want in the world of business. Learn manual and computerized accounting, communications and financial math, along with instruction in accounting projects, basic management principles, and office and reception duties. Take your career anywhere businesses operate with in-demand and highly portable skills. This 35-week program includes a three-week practicum placement so you can get valuable work experience.

-
- Full-time
 - Certificate (1 year)
 - Offered at our Cold Lake campus

BUSINESS ADMINISTRATION

In the Business Administration diploma course of study, apply theoretical concepts to real-world business situations, master computer applications using Microsoft Office Suite software, and develop time management and interpersonal skills. Build a strong foundation of the fundamental principles of business before continuing into the second year of study in Accounting or Management.

-
- Full-time
 - Diploma (2 years)
 - Offered at our Lac La Biche and Cold Lake campuses

“

Portage has allowed me to further my knowledge in more ways than I can express. I am very happy that I was accepted to Portage and learned under such wonderful staff members.

OFFICE ADMINISTRATION

The Office Administration program will prepare you for immediate employment in a constantly changing technological and office environment. Obtain the knowledge and skills you need to qualify for administrative support positions in business, government, and industry. Come away with skills in accounting, filing, reception, telephone, mail, and interpersonal and teamwork relations. The program includes a three-week placement to get on-the-job experience before entering the workforce.

- Full-time
- Certificate (1 year)
- Offered at our Cold Lake campus

ENVIRONMENTAL STUDIES

NATURAL RESOURCES TECHNOLOGY (NRT)

The NRT program emphasizes the importance of stewardship of the natural resources that surround us. Students learn about the importance of cooperative planning and management of environmental resources with communities and organizations while using industry standard equipment and software in a hands-on learning environment. Graduates are prepared for diverse career opportunities in government, non-governmental organizations, and industries such as oil and gas, forestry, and wildlife.

- Full-time
- Diploma (2 years)
- Offered at the Lac La Biche Campus

Portage Pointer

Did you know?

Portage College has free access to hundreds of rivers, streams, lakes, and over 960 acres of our own forest for labs.

“

Excellent experience.
Glad to be a part of
the Portage family!

FOOD SCIENCES

BAKING

Bakers prepare pastries, bake different types of bread and rolls and other sweet goods, and prepare batters for different types of muffins, cookies and cakes. With the latest technology and techniques, our Baking program uses hands-on education to teach you the preparing, baking, and decorating of breads, cakes and pastries.

- Full-time
- Certificate (1 year)
- Offered at the Food Sciences Centre in our St. Paul Campus

CULINARY ARTS

It's true that there are different paths to take you to a career in culinary. But none are as productive and worthwhile as attending our Culinary Arts Diploma program. We will provide you with all the specialized skills and knowledge you need to succeed in the growing food services industry. Our program will give you a solid foundation in international and regional foods as well as courses in culinary management, nutrition, and even an introduction to food processing.

- Full-time
- Diploma (2 years)
- Offered at the Food Sciences Centre in our St. Paul Campus

INSTITUTIONAL COOK

Our program will prepare you to work in commercial and institutional kitchens. You will learn everything there is to know about large quantity food production and the use of bulk cooking methods with specialized equipment. You'll also be taught office and management skills of a working kitchen. Just two semesters will get you an Institutional Cook certificate and eligibility to write your first-year apprenticeship. In addition to all of this, you also receive certificates in National Food Safety, WHMIS and First Aid.

- Full-time
- Certificate (1 year)
- Offered at the Food Sciences Centre in our St. Paul Campus

Portage Pointer

Did you know?

The College has Food Science courses available through our Continuing Education and Extension Studies Catalogue. For existing Food Entrepreneurs we also have incubator space and food preparation lab rental services available.

PRE-EMPLOYMENT COOKING

Take your first step to a rewarding career in the foodservice industry! The Pre-Employment Cooking certificate program provides the knowledge, skills and attitude required to give you that extra edge for professional entry into the exciting and dynamic food service industry. This on-site format is a comprehensive training program designed to provide graduates with a solid foundation for a successful career in the culinary arts, equivalent to First Period Apprenticeship cook training. The program includes a combination of theory (both on-line and in-class), demonstration, and hands on practical application.

- Full-time
- Certificate (16 weeks)
- Offered at the Food Sciences Centre in our St. Paul Campus

HEALTH & WELLNESS

PRIMARY CARE PARAMEDIC

If you are looking for a progressive career in pre-hospital care, then our CMA Accredited Primary Care Paramedic program (formerly EMT) is perfect for you. Our training program teaches you front line treatment issues and how to perform critical medical procedures on patients before and during transportation to hospital for additional medical care.

This program combines online theory, onsite practical labs and clinical training. You will develop the specific knowledge and skills to effectively and safely administer emergency medical assistance to patients with injuries or illnesses, and to transport them to hospitals or other medical facilities for further treatment. You will be able to put your new found skill set into practice during two placements under the supervision of qualified preceptors. This program has 5 university transferrable courses.

- Certificate (40 weeks)
- Blended delivery at our Lac La Biche Campus

ADVANCED CARE PARAMEDIC

Do you want to advance your career in pre-hospital care while currently employed? Then our Advanced Care Paramedic program is designed with you in mind.

Many practicing Primary Care Paramedics (PCPs formerly EMTs) are unable to leave their family, employment and/or community commitments in order to pursue the ACP diploma. We offer PCPs a unique alternative by providing multi-modal instruction in a computer-mediated delivery format so you can remain in your home community for the majority of the training period. You will attend a total of eleven on-site training weeks in addition to the three field placements during the two years of training. This program has 5 university transferrable courses.

- Diploma (2 years)
- Blended delivery at our Lac La Biche Campus

**Portage
Pointer**

Did you know?

Our paramedic programs are fully accredited by the Canadian Medical Association.

EMERGENCY MEDICAL RESPONDER

The program is taught by highly experienced health professionals and combines online theory, onsite practical labs, professional driving and clinical training. You will develop the specific knowledge and skills to effectively and safely administer emergency medical assistance to patients with injuries or illnesses.

Graduates are eligible to write the Provincial Registration Examination and become a registered practitioner with the Alberta College of Paramedics which is required to practice as an EMR in Alberta. This program has 4 university transferrable courses.

- Certificate (20 weeks)
- Blended delivery at our Lac La Biche Campus

PRACTICAL NURSE

Compassion will always be at the heart of nursing, but the profession is about so much more.

Licensed Practical Nurses are taking a more active role in the delivery of healthcare. There has never been a more opportune and exciting time to become an LPN.

Our two-year diploma program delivered either onsite or blended will equip you with the skills and knowledge required to work in a wide variety of health care settings. Once you graduate from the program you will be eligible to write the national licensing examination administered through the College of Licensed Practical Nurses of Alberta.

The Practical Nurse Blended Delivery is offered every second year and offers students a unique alternative to traditional face-to-face on-campus programs by providing multi-modal instruction. Instruction can include Moodle, Blackboard Collaborate and video conferences combined with face-to-face instruction. Students can be expected to be on-site 2-3 days per week.

- Diploma (2 years)
- Blended delivery at Lac La Biche and St. Paul
- Onsite delivery in Cold Lake

Portage Pointer

Did you know?

The Practical Nurse program includes eight university courses; English, Communications, Anatomy, Physiology I & II, Personal Health, Psychology and Sociology. These courses can be taken in our university studies program prior to enrolling in Practical Nurse.

HUMAN SERVICES

EARLY LEARNING & CHILD CARE

The Early Learning and Child Care Certificate and Diploma programs at Portage College will provide students with the opportunity to work with children from birth to age 12 in institutions or children's programs. Students will gain the knowledge and skills in working with children in a variety of capacities—growth and development, disabilities and exceptionalities, family structure, health and wellness, behavioural strategies, language, literacy and more. In both years, students are exposed to practical experience in an early learning and childcare environment. These programs are designed to be accessible, right from your home or office.

- Certificate (1 year)
- Diploma (1 year)
- Offered online

EDUCATIONAL ASSISTANT

The Educational Assistant Certificate and Diploma programs are designed for individuals who have a passion and drive to work in the education system. The first-year Certificate program prepares students to work in the classroom assisting teachers and students one-on-one in the delivery and development of effective educational experiences for school-aged children. The second year diploma program prepares students to expand their knowledge and expertise working with students in a K-12 classroom setting. In both years, students will gain the skills and knowledge in the areas of child growth and development, learning strategies, interpersonal skills and professionalism. Practical hands-on experience is offered to students in both years of study. These programs can be accessed from anywhere and provide learners with an option that caters to a busy schedule.

- Certificate (1 year)
- Diploma (1 year)
- Offered online

Portage Pointer

Did you know?

Five courses from the EA certificate transfer directly to the ELCC certificate and vice-versa, as do five courses in the diploma program.

COMMUNITY SOCIAL WORK

Social Workers make a difference. From individuals and families, to larger social groups and communities, Social Work is all about improving quality of life. If you are someone who enjoys helping people or seeing positive changes happen, a career in Social Work is exactly what you're looking for. Multiple practicum placements give you real-world experience to prepare you for a rewarding career. Graduates are eligible to apply to become a Registered Social Worker.

- Full or part-time
- Diploma (2 years)
- Offered at our Cold Lake and Lac La Biche campuses

“

I enjoyed how our program united fellow students from different communities. Overall, my experience was exceptional. Thank you so very much.

TRADES & TECHNOLOGY

APPRENTICESHIP ELECTRICIAN

In our Electrician program, you will learn to install, maintain, repair and operate electrical wiring and devices safely. Apprenticeship for an electrician is 4 years (four 12-month periods) including a minimum of 1500 hours of on-the-job training and 8 weeks of technical training in each of the first 3 years, and a minimum of 1350 hours of on-the-job training and 12 weeks technical in the fourth year. Upon successful completion of your 4th Period training, you are awarded an Electrician Certificate. Once you pass your Provincial exam, you will receive your Journeyman Certification.

- Full-time
- Certificate
- Periods 1-3 offered (8 weeks per period)
- Period 4 offered (12 weeks)
- Offered at our Cold Lake Campus

APPRENTICESHIP STEAMFITTER-PIPEFITTER

The Steamfitter-Pipefitter program is offered in 4 periods. The program provides a combination of hands-on experience in the state-of-the-art shop, as well as hours of theory with experienced instructors. You'll learn lay out, assembly, fabrication, maintenance and repair of water, steam, chemical or fuel pipe systems.

- Full-time
- Certificate
- Periods 1-4 offered (8 weeks per period)
- Offered at our Lac La Biche Campus

Portage Pointer

Did you know?

To apply into an apprenticeship program you need to provide an apprenticeship number.

HEAVY EQUIPMENT OPERATOR

You'll begin the program by completing 40 hours of simulation equipment training and your safety tickets such as Construction Safety (CSTS), H2S Alive, Roadbuilders Safety (RSTS), First Aid and more. Practical training follows on heavy equipment such as excavators, dozers, and graders. Theory in soils, surveying, service and maintenance will be taught. Upon successful completion of the training and theory, you will receive your HEO certification.

- Full-time
- Certificate (16 weeks)
- Offered at our Boyle Campus

APPRENTICESHIP WELDER

As an Apprentice Welder you will learn all about Gas Tungsten, Gas Metal Arc, Flux Core, Metal Core, Shielded Core, as well as welding practices and processes including grinding, braising and fusing of metals. You can expect great career opportunities working on various metal projects like beams, girders, vessels, piping and other metal components to make metal parts used in construction and manufacturing plants as well as repair welding of parts, tools, machines and equipment.

- Full-time
- Certificate
- Periods 1-3 offered (8 weeks per period)
- Offered at our Lac La Biche Campus

HAIRSTYLING

Be a cut above the rest! Learn from experienced, professional instructors the skills and knowledge to work effectively in the industry. With hands-on training in hair cutting, design, colouring, lightening, chemical texturizing and as a bonus basic manicuring, pedicuring, facials, eyebrow waxing and makeup, you'll have all the skills you need to work in a salon.

- Full-time
- Certificate (42 weeks)
- Offered at our Lac La Biche Campus

PRE-EMPLOYMENT HEAVY EQUIPMENT TECHNICIAN

This is a unique 16-week Heavy Equipment Technician program in which you train to maintain, repair and overhaul heavy, industrial equipment components such as suspensions, fifth wheel and pintle hitches, electrical and lighting systems, as well as hydraulic and air brake systems. The course offers you flexibility in your learning with blended delivery options to best meet your needs. The first 12 weeks of theory can be completed at our campus or online. The College has developed the next level Heavy Equipment Technician for delivery in the same format as Pre-Employment Heavy Equipment Technician. Once enough students have graduated from Pre-employment HET to satisfy minimal demand the second period will be made available to students.

- 16-week program
- 12 weeks online or on campus followed by 4 weeks on campus in Lac La Biche
- Upon successful completion you will have the opportunity to arrange to challenge the Apprenticeship Heavy Equipment Technician Period 1 exam.

PRE-EMPLOYMENT WELDING

This program designed to provide an understanding of the theory and hands-on skills, if you are planning on a career in welding. With little or no previous experience, you will progress in the required core courses. To improve your employability, you will also take Construction Safety Training System (CSTS), H2S Alive, TDG, WHMIS, Standard First Aid, Confined Space Entry, Fall Protection, Power Activated Tools, Aerial Platform Operation, Electrical Safety, Fire Safety and Rigging Basics.

- Full-time
- 16-week program
- Upon successful completion you will have the opportunity to challenge the Apprenticeship Welder Period 1 Provincial exam.
- Offered at the Lac La Biche Campus

Portage Pointer

Did you know?

No experience or apprenticeship number is required to apply for pre-employment.

POWER ENGINEERING

Learn about boilers, steam and gas turbines, generators, pumps, compressors, pressure vessels and more and play a critical role in the safe, efficient operations of plants and facilities. This is an intense program with exceptional practicums in the oil and gas industry, leading to an abundance of career opportunities. Students successfully completing 4th Class may be selected into 3rd Class.

- Full-time
- 4th Class (25 weeks, including 160-hour field placement)
- 3rd Class (52 weeks, including 960-hour field placement)
- 3rd and 4th Class offered at our Lac La Biche Campus

SAGD DE-OILING AND WATER TREATMENT OPERATOR

Gain an understanding of operations in the de-oiling, water treatment, recycling and reuse of water in the process of heavy thermal oil extraction and the distinct, popular method of bitumen recovery. This program certification will also provide you with the entry level requirements to operate potable and wastewater treatment systems.

- Part-time
- Certificate (16 weeks)
- Offered fully online

Portage Pointer

Did you know?

Several of the Trades and Technology programs allow for Dual Credit opportunities for High School students. If you have taken any CTS courses in high school please inquire whether Dual Credit is available.

UNIVERSITY TRANSFER

UNIVERSITY TRANSFER

Our University Transfer program gives you the versatility to do things your own way. With adaptable learning plans that meet your goals and classes that fit your learning style, you can get started on your Bachelor of Arts, Commerce, Education, Science or Social Work degree. We offer small class sizes and one-on-one attention from university professors to ensure students are successful in reaching their goals.

Attend lectures face to face in a classroom, or experience blended modality, meaning combinations of course delivery methods including video conferencing, Blackboard Collaborate, and Moodle. Attend as a full-time or part-time student, depending on your individual needs.

- Full-time or part-time
- Individual course credit for transfer
- Offered at our Cold Lake, Lac La Biche and St. Paul campuses

ATEP (ABORIGINAL TEACHER EDUCATION PROGRAM)

University of Alberta ATEP is an off campus community based collaborative cohort program in the Elementary Education specialization route. The partnership with Portage College and the Aboriginal Teacher Education Program allows students to achieve a Bachelor of Education Degree without leaving a student's home community. To be eligible to enroll in this program students need 60 university credits.

- Full-time
- Bachelor of Education Degree (2 years)
- Location is enrollment dependent

DUAL CREDIT

DUAL CREDIT

Portage College is pleased to offer dual credit programming to allow high school students the opportunity to participate in post-secondary courses while still in high school. Dual Credit programming allows students to receive high school CTS credits in addition to credits from Portage College. Contact us to see what programs are available.

*Start Your
Journey*

HOW TO APPLY

STEP 1: INTEREST

Interested in a program? Check the admissions requirements on our website or speak to one of our Student Advisors.

STEP 2: APPLY

Apply online at portagecollege.ca or complete an application form and submit by mail, fax or in-person at any of our campuses.

STEP 3: TRANSCRIPTS

Online application: Your transcripts will be automatically sent to us.

Paper application: Arrange to have the necessary transcripts sent to us.

Depending on program, other documentation may be required.

APPRENTICESHIP PROCESS

STEP 1: RESEARCH

Find thousands of trades and occupations listed on the Province of Alberta's Apprenticeship and Industry Training website, commonly referred to as Trade Secrets (tradesecrets.alberta.ca).

STEP 2: FIND AN EMPLOYER

Search for job postings using the newspaper and online advertisements. Be persistent. Ask everyone you know working in a trades related career about employment possibilities that would be of interest to you.

STEP 3: APPRENTICESHIP APPLICATION & CONTRACT

Once you have found employment, download an application form from the Trade Secrets website. This form must be completed and signed by both you and your employer.

STEP 4: FINANCING YOUR EDUCATION

Yes, you will earn a wage while you are completing your apprenticeship training but you may need a financial boost to help cover the full cost. To find out if you are eligible for financial assistance, visit the Trade Secrets website.

These are steps from Trade Secrets. For more details on the process please visit their website: tradesecrets.alberta.ca

---------------------	--	--	--

I absolutely loved the environment. Small class sizes and wonderful instructors. All the staff have been great. Very helpful and happy.

Additional recommended path for students who are considering this certificate are:

- Grade 12 Diploma, Physics 20, Chemistry 20
- As well as the following safety courses: WHMIS, TOG and Standard First Aid

Graduates will receive:

- Potable & Wastewater Systems Management Con Ed course certificate
- Alberta Environment and Sustainable Resource management (ESRD)
- Mandatory Entry Level Training-Complete WWWO 101 course

Interview may be required with an advisor or the program coordinator.

Course in this program are transferable to other post-secondary institutions. Students are encouraged to discuss course options with a program advisor.

“

I love going to the College. At first I was nervous about starting something new but staff and students were very welcoming. I'm excited to start another school year here in September.

COME FOR A VISIT!
