AB EMERGENCY MEDICAL RESPONDER JOB ADVERTISEMENT

At **Bravo Target Safety** our priority is to get all workers home safely every day. It is our duty to conduct all operations in a safe and professional manner with accountability to our employees, clients and other stakeholders. We provide safety coordination, project planning and trained safety personnel for turn-around, construction, drilling and day-to-day field operations.

Bravo Target Safety is looking for **Emergency Medical Responders who hold active Alberta College of Paramedics registrations** to join our team. This is an exciting opportunity to begin or advance your career within **Bravo Target Safety**.

Job Duties:

- Report directly to station manager or medical services manager
- Complete pre/post-trip inspections on unit/vehicle
- Drive vehicle to and from location in a safe and courteous manner
- Park MTC/EMS unit in a safe and accessible location allowing for easy egress opportunity for potential emergency situations
- Upon arrival on location, introduce yourself to the site supervisor and review details of job and expectations with the site supervisor
- Complete site-specific orientation as required
- Contact and set-up or update STARS site number, and complete BTS paperwork package
- Conduct and maintain proper and accurate headcount unless otherwise advised
- Provide medical standby-by services and respond to any emergency as per your training and provincial scope of practice
- Review and advise on emergency response plans as it relates to a specific site and scope
- Conduct site safety tours and pre-job inspections prior to completing hazard assessments
- Participate in all Safety Meetings. Review SDS for hazardous materials
- Rig in and test equipment for emergency medical response based on training, Industry Recommended Practices, company policies, medical protocols and client rules and expectations
- Complete inventory and perform function tests of medical equipment and supplies
- Incident reporting and assist in investigations as required
- Regularly inspect emergency equipment as per training and to manufacturer's standards
- Participate in emergency drills as required by Bravo Target Safety and/or the Client
- Participate in in-house training program on a regular basis
- Maintain emergency response apparatus as per manufacturer's recommendations and related standards require (deep cleaning patient compartments, regular maintenance on trucks, units kept clean and ready for emergency response if needed)
- Other duties as assigned

BRAVO TARGET
