

Portage College Wireless Access

Portage College provides wireless internet access at all campuses for Staff/Student/Guest personal devices.

To connect, please select the WIFI network **Portage-Public** and open an internet browser following the appropriate instructions below.

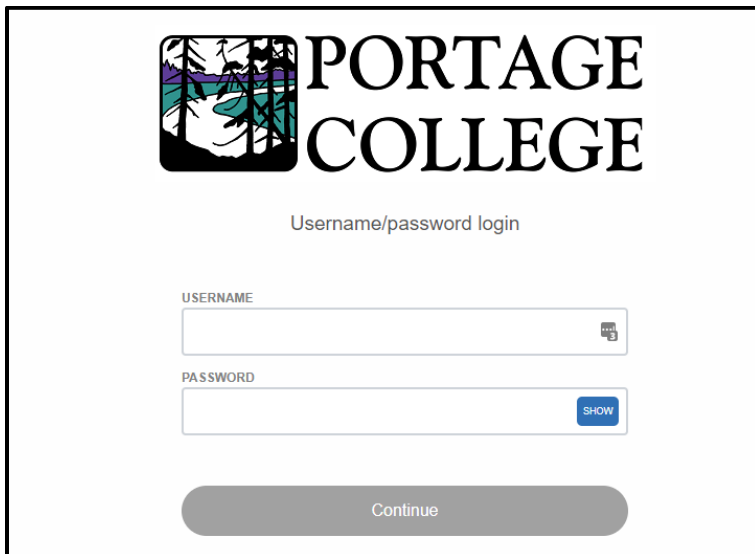

Option 1

Staff/Student Users must select "Username/Password Login"

The image shows a login selection screen for Portage College. At the top left is the Portage College logo, which features a stylized landscape with trees and water. To the right of the logo, the words "PORTAGE COLLEGE" are written in a large, bold, serif font. Below the logo and text, the instruction "Select an authentication method" is displayed. There are two rounded rectangular buttons: the top one is labeled "Username/password login" and has a black arrow pointing to it from the right; the bottom one is labeled "Guest signup".

Enter your Portage College username and password then click on Continue. [Username format = first.lastname]

Below the logo and text, the text "Username/password login" is centered. There are two input fields: the first is labeled "USERNAME" and has a small icon of a document with a checkmark on the right side; the second is labeled "PASSWORD" and has a small blue button labeled "SHOW" on the right side. Below the input fields is a large, rounded rectangular button labeled "Continue".

You will now be connected to the internet.

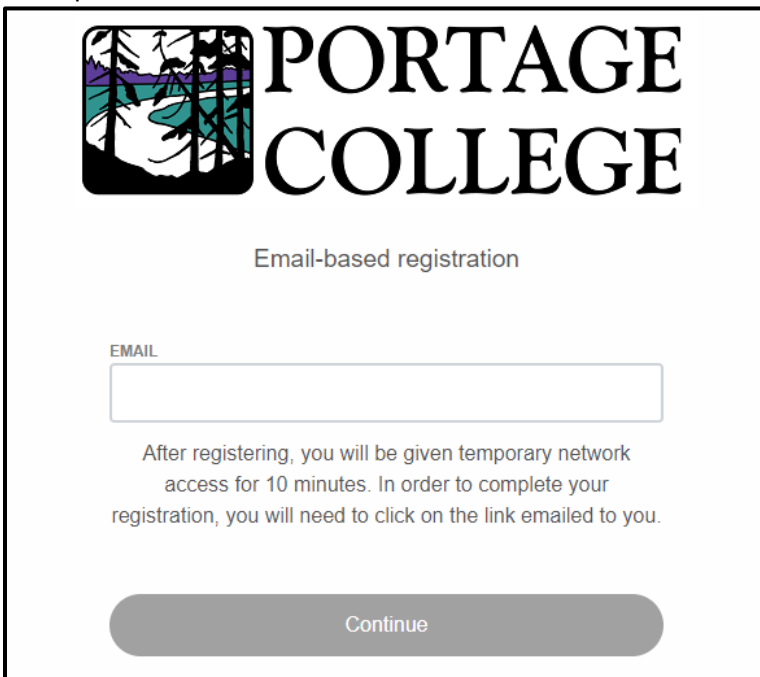

Option 2

Guest Users must select “Guest signup”

The screenshot shows the Portage College logo at the top left, followed by the text "PORTAGE COLLEGE" in a large, bold, serif font. Below the logo, the text "Select an authentication method" is displayed. There are two rounded rectangular buttons: the top one is labeled "Username/password login" and the bottom one is labeled "Guest signup". A black arrow points to the "Guest signup" button.

Enter personal email address then click on Continue.

The screenshot shows the Portage College logo at the top left, followed by the text "PORTAGE COLLEGE" in a large, bold, serif font. Below the logo, the text "Email-based registration" is displayed. There is a text input field labeled "EMAIL" with a light blue border. Below the input field, the text reads: "After registering, you will be given temporary network access for 10 minutes. In order to complete your registration, you will need to click on the link emailed to you." At the bottom of the page, there is a large, rounded, grey button labeled "Continue".

After pressing continue, you will be granted access to the internet for 10 minutes in order to accept the validation link sent to the email provided. If the validation link is not pressed, internet access will be revoked and you will be required to re-login.

Guest users requiring extended access, such as dorm tenants, may request a “Wireless Access” account. These accounts can be requested from the Housing Office or Library.
