

# Cultural Days Expo

In celebration of the diversity of Alberta, Portage College is hosting the Alberta Cultural Days Expo.

You're invited to experience live cultural entertainment, sample authentic foods, admire craftsmanship of the different cultures and participate in interactive workshops.

The evening ends with a National Film Board movie that has ties to Lac La Biche: *The Things Arab Men Say*, by Nisreen Baker.

#ABCultureDays

**Sept 28, 2023**
