What's your interest?

Choose from one, or select all of the offerings available!

Eyebrow Design and Facial Waxing

Educate yourself on how to find the ideal brow shape and design for each person's face shape. The added bonus of facial waxing to remove that unwanted hair. An easy money maker to add to any business!

Sky High Dark Lashes and Brows

Learn the basics of how to lift and tint eyelashes as well as tinting and laminating eyebrows.

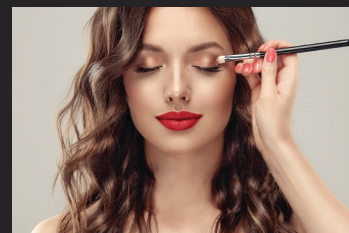

Add colour and make brows fluffy with a lamination to make brows stand out without the need for anything permanent.

Makeup Basics

Makeup 101-Learn the Basics:

Enjoy learning how to apply your own makeup like a pro with in-depth product knowledge. Find out what is appropriate for your skin type, tone and face shape. This course is suitable for all ages.

Makeup Professionals

Makeup 2.0-Becoming a Pro:

Learn how to apply makeup professionally on clientele. Learn what products to use and how many should be in your kit for multiple clients.

Prerequisite: Makeup 101

Makeup Artistry Advanced:

Acquire skill in airbrush makeup, fashion and avant-garde.

Prerequisite: Makeup 101 and Makeup 2.0
