This Document Must Be Returned to Portage College (Please Print Clearly)

To participate in the placement component of your program, you must meet the immunization standards established for Alberta health care workers under the Public Health Act. A complete immunization record is an admission requirement to ensure these standards have been met.

I am aware that there are placement course(s) and/or sessions in the program.

I understand that;

- *I am expected to travel for placements and am responsible for all placement costs.*
- Submission of a complete immunization record will be required before I will be able to participate in any placement courses.
- Submission of a complete immunization record is a requirement of the health service organization hosting the placement students from Portage College and that the health service organization may decline any students without an immunization record.
- While on placement, I am governed by the guidelines and policies of the health service organization in which the placement is taking place.

Full disclosure of any issues related to completion of scheduled placement hours must be discussed with a Student Advisor and/or Program Coordinator prior to registration (i.e. religious holidays, childcare issues, etc.).

I understand that not providing a complete immunization record or having issues that may prevent completion of placement within scheduled timelines;

- may prevent me from participating in the placement course in the program
- may prevent me from meeting program requirements and obtaining my certificate or diploma
- may prevent me from obtaining a license to practice
- may prevent me from obtaining employment

I am aware that, if I am denied access to a placement site by a health service organization for immunization reasons, the College will be unable to provide placement training and I will be withdrawn from the program.

I am aware that, if I am withdrawn from the program;

- my academic transcript will show that I was required to withdraw from the program
- any refund of tuition will be subject to the tuition refund policy

Please check one of the following;

- NO**, I do not have any issues related to immunization or scheduled placement completion
