PRE-PN PATHWAY

The Practical Nurse (PN) program is one of the most competitive programs at Portage College. Spots fill up quickly, resulting in some applicants having to wait until the following year for acceptance into the program. Get a head start by taking courses from the PN curriculum through the University Transfer Pre-PN Pathway. This pathway helps to strengthen your application to the PN program and allows you to take relevant PN courses before entering the program.

Below are some of the courses from the PN curriculum.

Fall Term

- » BIOL 230: Human Anatomy
- » BIOL 231: Human Physiology
- » ENGL 102: Introductory Composition
- » HEED 105: Personal Health and Wellness

Winter Term

- » BIOL 232: Pathophysiology
- » COMM 135: Communications for Health Professionals
- » SOCI 125: Sociology of Aging

Spring Term

- » SOCI 125: Sociology of Aging
- » PSYC 104: Introductory Psychology

PRE-CSW PATHWAY

The Community Social Work (CSW) program is another competitive program at Portage College. The University Transfer Pre-CSW Pathway offers a variety of courses from the CSW program.

Fall Term

- » ENGL 102: Introductory Composition
- » HEED 105: Personal Health and Wellness*
- » PSYC 104: Introductory Psychology
- » PSYC 285: Abnormal Psychology (PSYC 104 prerequisite required)

Winter Term

- » ANTH 250: North American Aboriginals (100-level anthropology prerequisite required)
- » SOCI 101: Introductory Sociology
- » SOCI 125: Sociology of Aging*
- » PSYC 202: Developmental Psychology

Spring Term

- » PSYC 104: Introductory Psychology
- » SOCI 224: Sociology of Deviance and Conformity*

*Elective

PRE-ATEP PATHWAY

Portage College and the University of Alberta have partnered to offer the Aboriginal Teacher Education Program (ATEP), available to students across northern Alberta. This partnership allows students to achieve a Bachelor of Education degree without leaving their home community.

The ATEP curriculum has a strong focus on Aboriginal histories, perspectives and culture, giving teachers a better understanding of young Aboriginal learners, their backgrounds and how this knowledge can benefit students in every classroom.

Following the requirements of an Elementary Education degree, the program ensures teachers meet the Alberta Education Teaching Quality Standard in their future classrooms. The benefits of taking ATEP at Portage College include small class sizes and built-in supports for students.

The third and fourth years of the Aboriginal Teacher Education Program will be offered at Portage College beginning Fall 2022.

For the detailed 60-credit requirement list, contact one of our student advisors:
