

Connecting Gaming Consoles to Wireless in Dorms

In order to connect a gaming console to the Portage-Internet, the console must be registered. Please use a registered device to navigate to: “<https://pf.portagecollege.ca/device-registration>” and use the following directions.

 <p>The screenshot shows the Portage College login page. At the top left is the Portage College logo, which features a stylized tree and the text 'PORTAGE COLLEGE'. Below the logo is the text 'Status - Login'. Underneath is the heading 'Login to manage registered devices'. There are two input fields: 'USERNAME' and 'PASSWORD'. The 'PASSWORD' field has a 'SHOW' button to its right. Below the input fields is a grey 'Login' button.</p>	<p>Enter your Portage College Username/Password</p>
 <p>The screenshot shows the Portage College network access page. At the top left is the Portage College logo. Below it is the text 'Status - Network Access'. Underneath is the heading 'Your registered devices'. There is a blue button labeled 'Register another device'. Below that is a 'Logout' link.</p>	<p>Select “Register another device”</p>
 <p>The screenshot shows the Portage College device registration page. At the top left is the Portage College logo. Below it is the text 'Registration'. There is a 'DEVICE MAC ADDRESS' input field containing the text '00:14:22:01:23:45'. Below the input field is a red 'Register' button. Underneath is a blue button labeled 'Return to device list'. At the bottom is a 'Logout' link.</p>	<p>Enter the gaming console’s MAC address and select “Register”. The MAC address must be in the format “00:14:22:01:23:45”. The MAC address can typically be found on a sticker on the bottom of the device or in the settings menu.</p>
